RE: Enrique Espinosa's disagreement with Motion of LG&E to suspend  
Procedural Order and schedule Informal Conference in Case No.  
2005-00398

Dear Ms. O'Donnell:

When LG&E's Counsel called me over the phone November 7, I agreed to an informal meeting between both parties to seek a settlement on the specific issue of my complaint. However, at this time, I am not agreeable with suspension of the procedural order in my case. Therefore, I respectfully request your denial to this motion.

Respectfully submitted,

  
Enrique Espinosa
